The screenshot shows the course page for 'KMMC: BLS for HealthCare Providers-CPR Renewal Class for Hospital Staff'. The header includes the course title and a 'COURSE' icon. Below the header, the status is 'Not Yet Started' and the estimated time is '4h'. A link to 'Return to Search Results' is provided. The 'Learning Activities in this Course' section shows a single activity: 'BLS HCP for Hospital Staff', which is a 'LIVE CLASS' with a status of 'Not Yet Started' and an estimated time of '4h'. To the right of the activity list, there are two buttons: 'Enroll' (green) and 'Choose Class' (grey). Both buttons are highlighted with a red box.

Description

Basic CPR class for Health Care Providers. This course covers adult and pediatric CPR, two rescuer scenarios and the use of the bag-valve mask, airway obstruction, use of the AED, and other cardiopulmonary emergencies. Students must pass a written exam and skills test to successfully complete this course.

Learning Objectives

At the conclusion, participants should be able to:

1. Verbalize the components of the assessment of a potential victim of cardiopulmonary arrest.
2. Demonstrate the performance of 1-person adult, infant and child CPR according to AHA 2010 guidelines.
3. Demonstrate the performance of 2-person CPR according to AHA 2010 guidelines.
4. Demonstrate bag-valve mask ventilation.

8. Pick the day you wish to register. If class is “locked” that means that you have missed the registering deadline, which is 1 week prior to class day.
